

ORTEGA HIGHWAY CLOSURE

Ortega Highway is closed between I-5 and Del Obispo Street for approximately three weeks.

At 12:01 a.m. Wednesday, Nov. 5, 2014, Ortega will close between Del Obispo and El Camino Real for approximately four and a half weeks.

The closures will allow crews to reconfigure the roadway as part of the \$86 million I-5/Ortega Highway Interchange Improvement Project.

NOTE: During the closures, motorists can still exit southbound and northbound I-5 at Ortega Highway and drive east.

Ortega between I-5 and Del Obispo is expected to reopen on Nov. 25, 2014. At that time, traffic also will be shifted to the newly constructed portion of the southbound I-5 off-ramp and to the newly constructed bridge.

Ortega between Del Obispo and El Camino Real is expected to reopen on Dec. 5, 2014.

See a map of the closures [here](#) and a map of detours [here](#). For more information about the project, go to octa.net/Ortega.
